

COMMITMENT

*You have our
gratitude and
our promise.*

Thank you for believing, as we do, in the importance of our basic research to seek knowledge and solutions *now* as well as our efforts to educate and train a highly skilled, diverse workforce who will be the face of discoveries *in future years*.

We hope you will make the decision to become an 1892 Legacy Society member so that the life-changing work you believe in will thrive beyond our lifetimes. In return for your commitment, here is our commitment to you:

- 1** | Your family and loved ones always come first. We understand that.
- 2** | Your gift is valuable and we will handle it efficiently and wisely.
- 3** | Your will is a personal and private document and we respect that.

- 4** | A Legacy Gift is a personal decision. We realize that you need to make it in your own way and in your own time.
- 5** | You can notify us that you've left a gift in your will or other estate plans so that we can recognize your generosity. However, you don't need to tell us.
- 6** | If you do choose to tell us, we will proudly honor you with Legacy Society membership and look forward to hearing which areas of our work you'd like to know more about.
- 7** | You and your family will have opportunities to be more connected to the research and education programs you make possible.
- 8** | You have the right to change your mind about a gift in your will to Wistar, at any time.
- 9** | You can expect our response in a timely manner. Please email your questions to development@wistar.org.
